

IMMACULATE CONCEPTION SCHOOL NEWS- November 14, 2019
BY MR. DUTTWEILER

Dear Parents,

I apologize for the double phone calls every time I send a robo call. For some reason the first message doesn't make it through the phone call. I have contacted the company and hopefully this can be resolved. If you have not received any calls, please contact Mrs. Harmon to see that your telephone number is updated on the list.

I am sorry to report that Mrs. Rosati, one of our middle school math teachers, will be leaving us at Thanksgiving. I was glad that I was able to persuade Mrs. Rosati to come out of retirement for a few months. She has agreed to substitute for us in the future. I am happy to announce that Mrs. Debra Abrams will be teaching seventh and eighth grade math as well as providing additional math assistance in the lower grades. Mrs. Abrams has taught at both the middle school level and college level. Some of her experience has been in Catholic schools, so I feel this will be a good fit for us. Mrs. Abrams will be working with Mrs. Rosati for a couple of days in the next two weeks in order for a smooth transition to take place.

We will be having a yearbook this year. Order forms will be going out after Christmas. This year you will have the option of getting a hard cover edition. More details will come with the order form.

December will be here before we know it. On December 12 we will be having our Geography Bee. After preliminary competition earlier in the classroom, four students from each class in grades 4 through 8 will participate in the Bee in the cafeteria at 9:15. On Monday, December 16 at 9:15 we will be having a Recognition Assembly. In addition to the students receiving honor roll certificates, students will be receiving participation certificates for sports, TARC, student council, etc. Some character traits and other awards will be given. Our Christmas Program will be held on Wednesday, December 18 at 7:00. The band will perform and then the eighth graders and students in Kindergarten through fourth grade will present our Christmas Play. All are invited to all of these events.

Sincerely,

Joseph Duttweiler
Principal
