

IMMACULATE CONCEPTION SCHOOL NEWS- December 19, 2019
BY MR. DUTTWEILER

Dear Parents,

Congratulations to Sam Szczepanski who won our school's Geography Bee. In January Sam will take a test on line from the National Geographic Society. The test is to see if Sam qualifies for the next level of competition at the state level. Congratulations also to Lucas Taylor who was our second place winner.

The seventh grade did a very nice job preparing posters, presentations, and food on how various countries around the world celebrate Christmas. Many thanks to Mrs. Gerard and Mrs. Reilly for coordinating this event.

The students did a good job with our Christmas Program. Thank You to Mrs. Russ, our band director; Mrs. Wos, our music teacher and director; and to Mrs. Loniewski for providing the music.

The school community offers its sympathy to Mrs. Quinlivan on the recent death of her brother and to Samantha and Elizabeth Blinston on the death of their grandmother.

I hope everyone has a Blessed Christmas and an enjoyable holiday season. School resumes on Thursday, January 2.

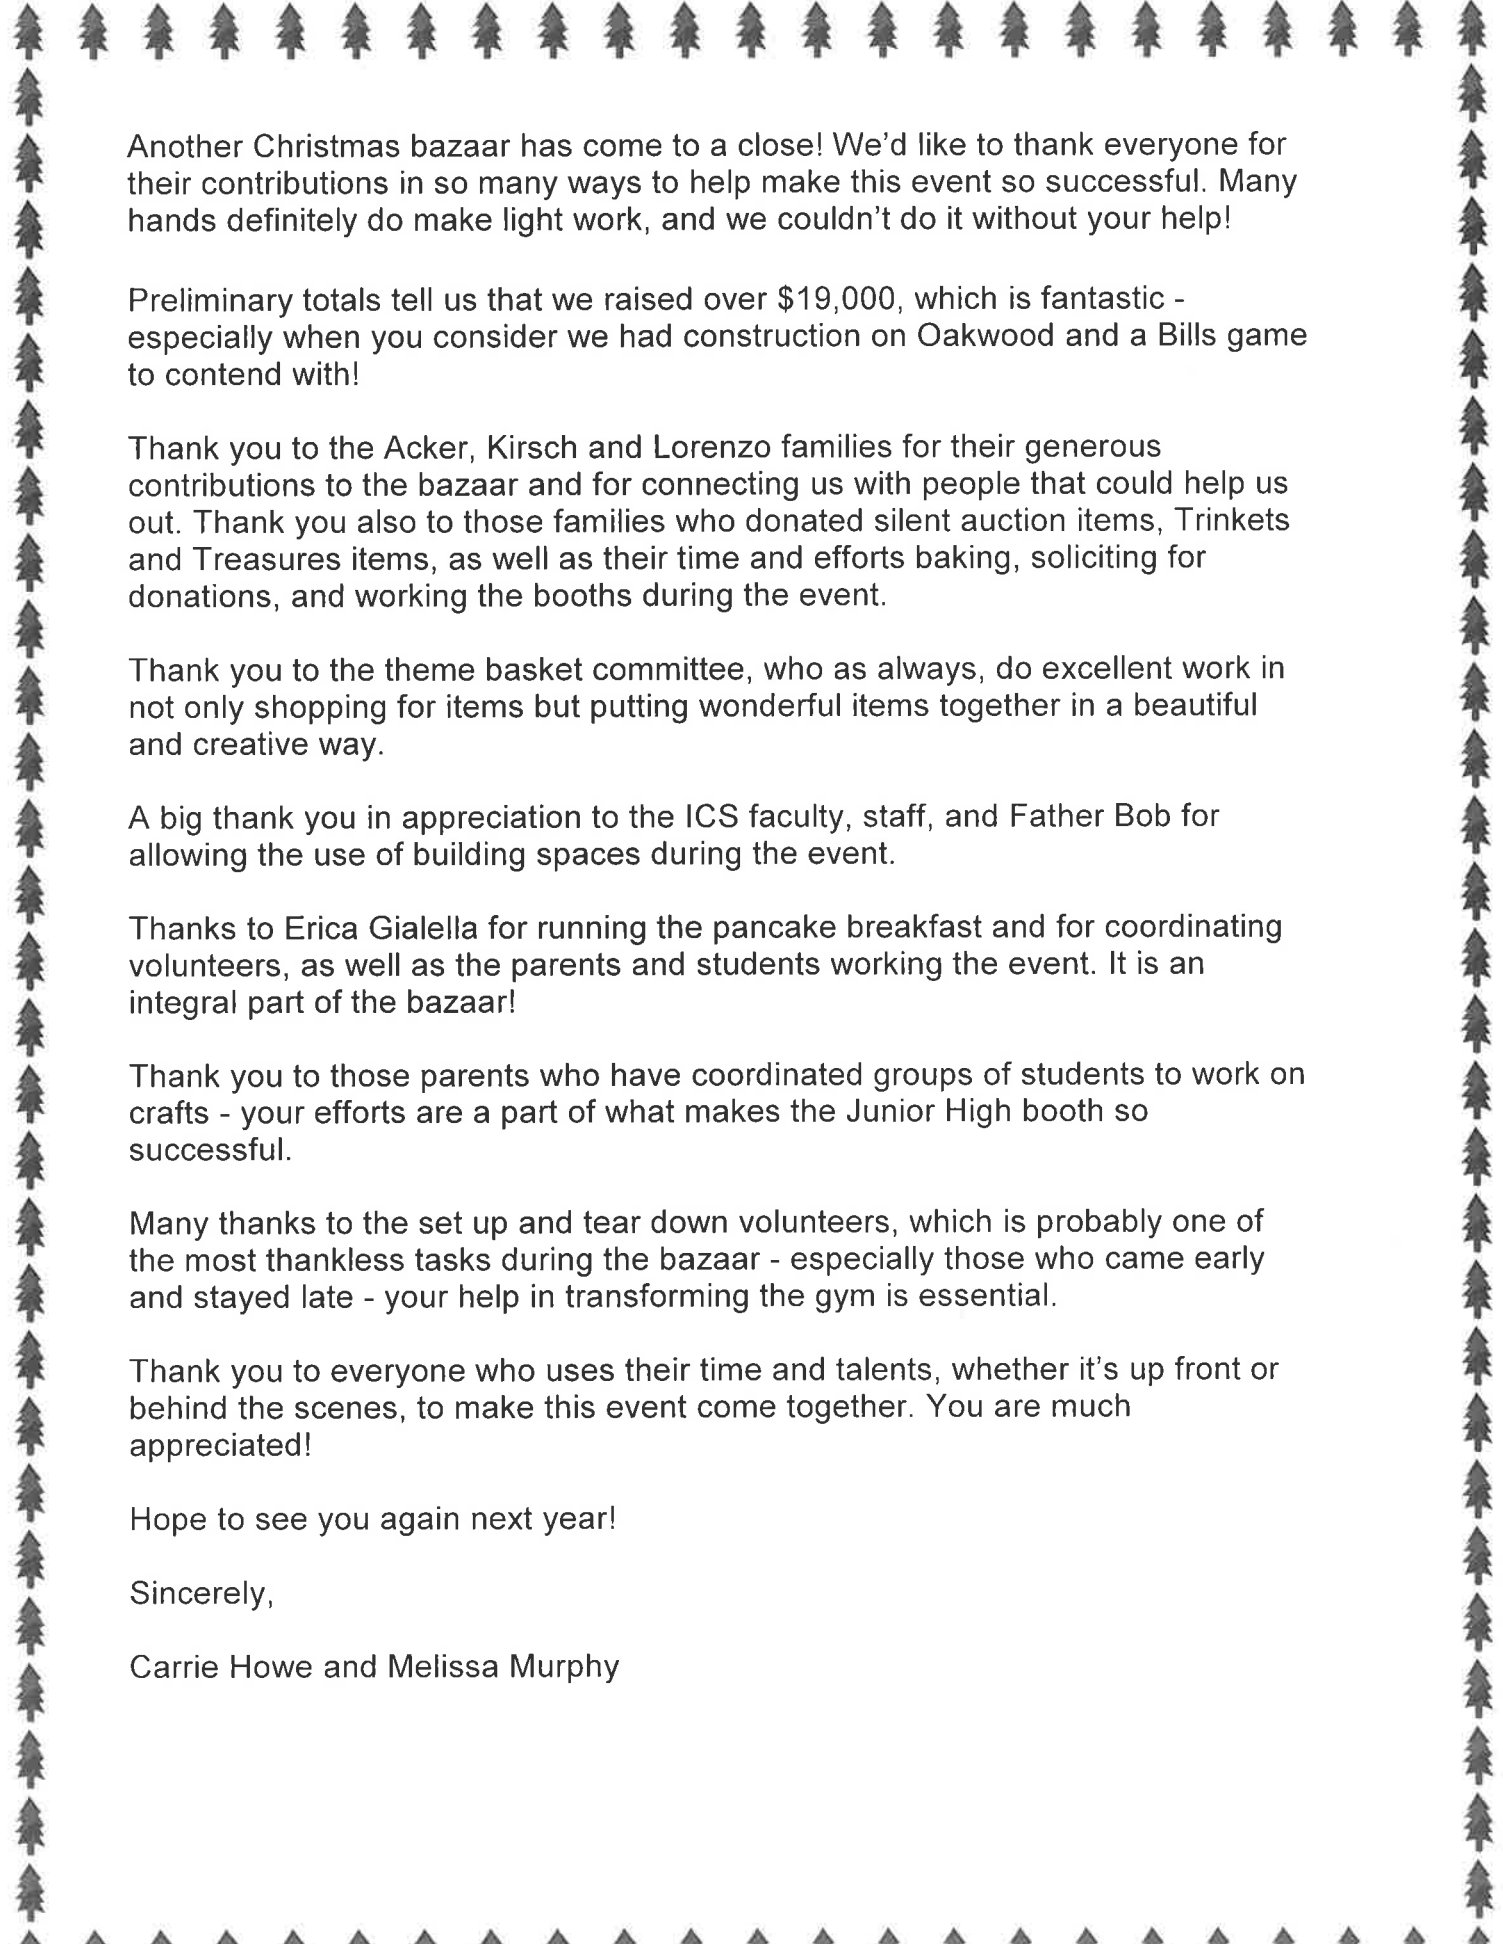

Sincerely,

Joseph Duttweiler
Principal

Another Christmas bazaar has come to a close! We'd like to thank everyone for their contributions in so many ways to help make this event so successful. Many hands definitely do make light work, and we couldn't do it without your help!

Preliminary totals tell us that we raised over \$19,000, which is fantastic - especially when you consider we had construction on Oakwood and a Bills game to contend with!

Thank you to the Acker, Kirsch and Lorenzo families for their generous contributions to the bazaar and for connecting us with people that could help us out. Thank you also to those families who donated silent auction items, Trinkets and Treasures items, as well as their time and efforts baking, soliciting for donations, and working the booths during the event.

Thank you to the theme basket committee, who as always, do excellent work in not only shopping for items but putting wonderful items together in a beautiful and creative way.

A big thank you in appreciation to the ICS faculty, staff, and Father Bob for allowing the use of building spaces during the event.

Thanks to Erica Gialella for running the pancake breakfast and for coordinating volunteers, as well as the parents and students working the event. It is an integral part of the bazaar!

Thank you to those parents who have coordinated groups of students to work on crafts - your efforts are a part of what makes the Junior High booth so successful.

Many thanks to the set up and tear down volunteers, which is probably one of the most thankless tasks during the bazaar - especially those who came early and stayed late - your help in transforming the gym is essential.

Thank you to everyone who uses their time and talents, whether it's up front or behind the scenes, to make this event come together. You are much appreciated!

Hope to see you again next year!

Sincerely,

Carrie Howe and Melissa Murphy

CLASSIC CHESS CLUB

Play the King's game with an International Master!

www.aurorarec.com

We are extremely pleased to offer this high quality program with an International Chess Master. Studies show that the educational benefits of playing chess are vast, and specifically develop aptitudes in critical thinking, decision making, IQ, problem solving, and concentration. Students will sharpen these aptitudes while studying strategies, openings, endgame techniques, problem solving techniques, chess history, notation, and playing with other students. Every class will include formal instruction and playing time.

International Master Mladen Vucic is the strongest chess player in the Western New York region. He was the Junior Yugoslavian Chess Champion, the California Chess Champion, and he has played in the United States Championship. One of Mr. V's former students is the national champion for his age category. Mr. V has won hundreds of tournaments on the New York area and in Europe.
