

**IMMACULATE CONCEPTION SCHOOL NEWS-February 6, 2020**  
**BY MR. DUTTWEILER**

Dear Parents,

Some more good news from our eighth graders. Congratulations to John Celeste, who won the Legacy Scholarship from St. Mary's High School and to Cathy Loniewski who won the Salvatorian Scholarship from St. Mary's.

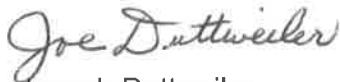

As you may know the Village of East Aurora is banning plastic straws in their restaurants as of March 1. We have been in contact with the East Aurora government and they said we can continue to use plastic straws until our supply runs out. This may take a few years before our inventory diminishes. We are still using straws in the cafeteria and that were bought several years ago. We also have a lot of straws that were donated to us for our STREAM activities.

Thank You to all the students and families in grades 4, 5, and 6 who baked bread and brought it to school. This was part of the King Arthur Flour Presentation. Two boxes of bread were delivered to FISH, the local food pantry here in East Aurora. Thank You to the sixth and seventh graders and parents who donated fleece that was used for the blankets. Several bags of blankets were donated to the Response To Love Center.

Next week our first, second, and third graders will be going to see a performance by the Buffalo Philharmonic Orchestra. Seventh and eighth graders will be auditioning for the spring play on Monday and Tuesday. Please remember Friday, February 14 is a half day with dismissal at noon.

Please keep selling the Pot of Gold tickets!

Sincerely,

Joseph Duttweiler

Principal
